REQUEST FOR INFORMATION UNDER RTI ACT, 2005

Sir,

This is with reference to your RTI Application dated 11.11.2016 received by the undersigned CPIO on 18.11.2016. Reply to your information sought is as under:

RTI Point No.	Information sought by the Applicant	Reply of IS Cluster
3.	What security practices are implemented for data security.	UIDAI has a well-designed, multi-layer approach robust security system in place and the same is being constantly upgraded to maintain highest level of data security and integrity. The architecture of Aadhaar ecosystem has been designed to ensure data security & privacy which is an integral part of the system from the initial design to the final stage. For, further strengthening of security and privacy of data, security audits are conducted on regular basis, and all possible steps are taken to make the data safer and protected. Legal status to UIDAI has further strengthened the security assurance of Aadhaar ecosystem many folds with recently notified THE AADHAAR (TARGETED DELIVERY OF FINANCIAL AND OTHER SUBSIDIES, BENEFITS AND SERVICES) ACT, 2016 passed by Indian Parliament having stringent penalties/punishments for offenders. In the ibid Act, Chapter VI on Protection of Information (Section 28 – Section 33) & Chapter VII on Offences and Penalties (Section 34 – Section 47) of the bill, specifically relates to protection of information and related offences and penalties to offenders. UIDAI has been declared ISO 27001:2013 certified by STQC with respect to Information Security which has added another layer of IT security assurance. In pursuance of sub-section (1) of Section 70 of the IT Act 2000, UIDAI has also been declared as Protected System by National Critical Information Infrastructure Protection Centre. However, the system & procedures followed by UIDAI to keep the data secure cannot be shared under section 8 (1) (a) of RTI Act and clause 7 of Aadhaar data security regulations, as the data being national asset and sharing the systems in place can affect the security interest of the UIDAI and may lead to incitement of an offence.

2. If you are not satisfied with this reply, you may appeal to the Appellate Authority, UIDAI at the following address within 30 days from the receipt of this reply:

Ref: F-12013/1066-1083/2016-RTI-UIDAI dated 17.12.2016.

With reference to the above RTI Query of Ms. Anumeha Y the following information is furnished.

Registration No. UIDAI/R/2016/50490

1. From September 29, 2010, when the first Aadhaar number was issued till October 31, 2016, who within the UIDAI has been authorised to deactivate Aadhaar numbers. Please provide the names of all officers who have been authorised to deactivate aadhaar numbers along with the numbers deactivated by each officer. Please share information in the format in which it is held by UIDAI.
Reply: UIDAI is not maintaining information pertaining to deactivations in a separate format. The Aadhaars required de-activations are identified by the enrollment processing systems and are done without human intervention. Also aadhaars requiring de-activations are identified after analyzing the grievances received from residents.
2. Can persons other than those directly employed by the UIDAI deactivate aadhaar numbers. If so, who are these people. Please provide all their names.
Reply: No. De-activation of Aadhaars are done systemically.
3. Did the UIDAI inform each of the aadhaar number holders the reasons for carrying out the deactivation and through what mode of communication were these number holders informed that their numbers were deactivated. Does the UIDAI maintain records of these communications. Please share information in the format in which it is held by UIDAI.
Reply: Residents whose aadhaar is de-activated are communicated through SMS along with the reason for their de-activation.
(Regarding clarity on printed mode of communication, information available at logistics division of UIDAI HQ)
Records of communications made to residents are maintained in the form of transactional logs. *Letter of 27/12 from Logistics division says no communication in printed mode.*
4. Please provide the breakup of the reasons for deactivation. For example in response to a Parliamentary Question No. 3872 on March 20, 2013 the Minister for Planning had stated on record that a total of 3,84,237 numbers have been deactivated under the biometric exception
